Assault.-Dr. Thomas Foster, recently moved to this city from Fairfax county, was assaulted at his home last night. A top buggy and gray horse drove up to the door of his residence, on Prince street, about nine o'clock entaining, it is thought, two men. One of them alighted and knocked at the door, which was responded to by Mrs. Foster. The man agen being invited to walk in, declined, as he wis in a hurry, and requested to see Mr. Fester. Mr. Faster was informed that a "gentleman" desired to see him, and on going to the door was struck in the face by the man. Foster retreated, erging out, "Assassin in the house!" but before assistance reached him the assailant had recained the buggy and was driven off. The Doctor is about sixty five years old and a cripple, while the assailant, from the description given of him, must have been a young, powerful fellow. Dr. Foster's mouth was badly cut and two of his lower teeth knock ed out. Mrs. Fester describes the man com mitting the assault as a heavy man, with a shight moustache, and a nappy cap drawn down ever his eyes. This morning the affair was much talked about, but the assailant's name could not be found out.

AN INTERESTING REQUISITION.-The Wash ington Star of Wednesday says: "Fo day Donny Sheriff Sutherland, of Charles county, Mil., arrived here with a requisition from Gov. Hamilton for the arrest of Joseph G. Harper, Jackus Read, John E. Donaldson, Joseph Elms and Charles F. It appears that the boat with crew was engaged dishing in Port Tobacco last week without leense and with unlawful per, and the boat was selz d and enew arrested. A fine of \$50 and come were imposed on Read who was in harge of the boat, and the boat and seine were a fiscated and placed in charge of an officer. Yester-day afternoon the owner of the tug, Edwin Recede, arrived in this city from Georgetown and brought the claim of Waddoy before Justice Thompson, who dismissed it. The owner of the ing styles Waddey's claim as a trumped up af-fair, and says that Mr. Bonson's attachment was shed out before he had finished the work for which he had contracted. The \$80 was paid, sewever, and the attachment dismissed at Bonson's cost, which amounted to \$1487. The tury was then released, and left this evening for

THE CHAIN GANG. - The streets being in had condition, and the fact that the chain gang is never seen, naturally causes a desire on the part of the people to know what has become of all the petty criminals that have been sent to in satisfacto the chain gang. MONETARY AND COMMERCIAL.

Business has been very quiet since last report, the weather having a depressing effect and seriously impeding progress in the country, where the roads are in very bad condition, almost preventing transportation. Money matters are quiet and unchanged hereabouts In Baltimore there is an ample supply of capital, and rates are easy to be rrowers in good credit or on readily convertible security. Loans on callere quoted at 41-15 per cent, and discounts at 41-6 The rate for call loans in New York yesterday was again murked up to 6 per cent and 1-16 commission, but at the close money was offered at 3 per cent. The demand for money in the Philadelphia market is somewhat better, and rates are improving slightly. The market for Government bonds opened firm yesterday, and a small advance was made in the leading issues, but the improvement was not maintained, and the closing at New York was weak and a shade lower. The final figures for 4 per cents were 1052a1052 for registered, and 1004a106s for both regular and small coupon bonds. Orders have been issued by the Tressury Department to prepay without rebate all interest on the public debt falling due April 1, on and after Monday, March 22. Drafts for registered interest will be mailed by that time or as soon thereafter as possible-The interest is the quarterly interest on the 4 per cent loan, and amounts to about \$7,000,000. It it stated that the Secretary decided to anticipate the payment of this interest so as to relieve the tightness of the money market in New York about which there seems to be much anxiety. Virginia State bonds were firmer for the issues bearing tax paying coupons. Consols sold at 542, closing 541+512, and 10 40s sold at 39, closing 30a304. Peelers were lower and sold quite freely at 22t, closing 27ts23 against 23a24 on Wednesday. Tax coupons were dull and nominal under very moderate offerings. Chesapoake and Ohio Canal bonds are stronger, \$20,000 selling, in lots, at from 82 up to 85, and down to 83. closing 827 bid, 831 asked. Railroad stocks are quiet but firmer. Baltimore and Ohio common selling at 157; the second preferred do at 103, Manassas 7s are a fraction easier, but Orange and Alexandrias are firm and wanted, with none offered. We quote:

## FRENCH'S

The fourth instalment of the new world famous GEM PUZZLE-13-15-14. Lawyers play it, ministers play it, bankers play it, everybody plays it. At first sight the victim feels little or no interest, but if he stops for a single moment to try it the mania seizes him. Business, home, friends, family, social and civic duty all are forgotten, while he slides and civic duty an are forgotten, while he sides the fifteen blocks around and figures and calculates, gives it up, "swears off" and begins again. Children cry for it, philosophers try it, the academies of science discuss it. "Fifteen" is a puzzle of seeming simplicity, but it is constructed with disbelied supplier. Moust tribate on hands ed with diabolical cunning. Four styles on hand; price 10 and 15c.
